

THE READER'S LOFT BOOK GROUP REGISTRATION

The Reader's Loft recognizes the importance of book groups as a way of creating community around the written word in these modern and often too-busy times.

We've created our book group registry to offer you and your book group the greatest support we can.

When you register your book group at The Reader's Loft, you receive:

15% OFF Book Group Purchases for Each Member, Online Listing of Your Group's Title Selections, Free Reading Group Guides and any other discussion materials you need, guaranteed availability and connection with other reading groups in the area, for great book suggestions.

How to Register:

1. Name your book group. (Any online or in-store listings will be done by group name, NOT individuals – we are passionate about retaining reader privacy at The Reader's Loft.)
2. Submit a list of your members and upcoming titles. (The member list is for internal reference only, in offering the discount.) Please include dates, so we know roughly when to guarantee availability by.
3. Specify a contact person and bring this form in to the store, email it to groups@readersloft.com or via our website contact page at readersloft.com, or mail it in to The Reader's Loft/ 2069 Central Ct., Ste 44 / Green Bay, WI 54311.
